SUMMARY

Driven and innovative student, I am passionate about artificial intelligence and data science. I have developed strong analytical and programming skills through consisting coursework and hands-on projects. My goal is to contribute to cutting-edge research and practical applications in AI, while continually learning and exploring new advancements to stay at the forefront of these dynamic fields.

EXPERIENCE

Smart Medical Analysis and Interpretation System

Faculty of Science Monastir

📅 02/2024 - 05/2024

This is my end of studies project that i developed as an intern in the laboratory of the Faculty of Science Monastir

- Created three advanced Ai driven models that work in the medical field
- First model works on MRI images for brain tumor detection and classification
- Second model works on data extraction from CBC blood test and generate an interpretation for the that test
- Third model takes a textuelle description for a patient symptom and applies NLP techniques to give a prediction for the disease the patient has

Web Developer

Leoni

📅 06/2023 - 08/2023

Leoni is a global supplier of wires, cables and wiring systems as well as a provider of related development services.

- Created a web application for network monitoring using flask
- Contributed to the maintenance of the company servers

University Platform

Faculty of Science Monastir

📅 02/2023 - 05/2023

Developed a comprehensive platform tailored for university students and professors.

- Collaborated with a dynamic team to develop a React.js based platform
- Implemented functionalities including PDF course reader, Ai-assisted notetaking and a QR code system for attendance tracking

LANGUAGES

English   Proficient

French   Proficient

Germany   Beginner

SKILLS

Artificial intelligence

Python   TensorFlow   Pandas

Keras   Machine learning

Frontend development

React   Javascript   HTML   CSS

Wordpress

Backend development

SQL   MongoDB   Django

EDUCATION

Bachelor's in software engineering

Faculty of Science Monastir

📅 09/2021 - Present

High School Diploma

Lycee Othmen Chatti, M'saken

📅 09/2017 - 06/2021

STRENGTHS

✔️ **Probleme-solving**

Good at overcoming drawbacks and solving problems in an innovative and fast way.

⚙️ **Brainstorming**

Creativity helped me excel in formulating exciting ideas that have a significant potential to come true.

📘 **Curiosity**

Learning is a never-ending process. I consider myself a person with burning desire to know and understand concepts and ideas.
